## Frederick County Chamber of Commerce Member 2 Member Discount Program Agreement

I/we would like to participate in the Frederick County Chamber of Commerce Member 2 Member Discount Program. I/we acknowledge that the Member 2 Member Discount Program is an exclusive service available only to members of the Frederick County Chamber of Commerce in good standing, and that there is no extra charge to participate in this program or to receive promotional benefits. This program is strictly a Member 2 Member Discount Program. The Frederick County Chamber of Commerce does not endorse any company providing a discount nor the discount. The members participating in the Member 2 Member Discount Program expressly acknowledge and agree that the Frederick County Chamber of Commerce will not be liable for any loss, claims, damages, demands, liability or expenses of any kind of nature, direct or indirect, which may be suffered by members of the Frederick County Chamber of Commerce as a result of their participation in the Member 2 Member Discount Program.

### Guidelines & Tips:

The better the discount, the more likely your coupon will be used. We encourage you to provide a discount of at least 10% on actual goods and services. Introductory offers and free consultations may not receive a response rate as high as other coupons with significant discounts. In general, think about what you as a consumer would be most likely to use and what your customers frequently request. Be creative! Looking for other ideas and tips for a coupon that gets attention? Contact Barbara Wagner at 301.662.4164 x213 or [bwagner@frederickchamber.org](mailto:bwagner@frederickchamber.org).
